#AFCRegion5

Greetings and a warm welcome to the AFC 2022 Region V Spring Conference! Thank you for participating. I truly hope it will be a wonderful experience for you. Continue to be engaged in AFC and the mission to “actively promote, represent, and support members and institutions as they provide their students and the citizens of Florida with a world-class college system.” Hold onto our values of professional growth and development, advocacy, leadership, community, innovation, and networking.

In alignment with AFC President Stephanie L. Campbell’s statewide theme of Legacy is the Key to Reflection, Inclusion, and Reconnection, the exceptional Region V Chapter Presidents and I worked together to plan this conference with the theme Building Our Legacy. Along with our AFC mission and values, we were thinking about the important part each of our members, chapters, the various areas of our colleges and Association play as we build our individual and collective legacies. What do you want your legacy to be? What will OUR legacy be? Remember that as all the pieces come together, we are creating legacy daily. We have so much to share with each other and are pleased to offer this opportunity to reflect, reconnect, learn, and plan while exploring many relevant topics together during this conference.

Sincerely,
 Joan Roberts

The soon-to- retire employees at YOUR College deserve the free benefit of knowing exactly what they need to do, and when, with regards to Medicare. This presentation will discuss timelines for enrolling in Medicare, some pitfalls to avoid, how Medicare works, and what happens when you select a Supplement to work with Medicare or a Medicare Advantage Plan to replace it, and stand-alone Part D Prescription Drug Plans.
